

PAR30 LED Lamp Short Neck, 2700K. 700 lumens, 65W Halogen Replacement. Dimmable

Verbatim's Short Neck PAR30 LED lamps are high quality energy efficient replacements for up to 65 watt halogen lamps. Designed for commercial short neck fixtures such as overhead track and recessed lighting, Verbatim Short Neck PAR30 LED lamps provide clear, uniform beam distributions and are fully dimmable. Available in warm color temperatures of 2700K and 3000K, these high brightness LED lamps reduce energy consumption by more than 75% when compared to halogen PAR lamps. The lamps' estimated lifetime of 40,000 hours results in maintenance and replacement costs that are significantly lower than traditional lighting. Verbatim LED PAR lamps are backed by Verbatim's 5-year limited warranty.

Specifications

Lamp Type	PAR30 2700K 700lm Short Neck
Model	P30SN-L700-C27-B25-E
Wattage	15W
Lumen Output	700 lm
Efficacy	47 lm/W
Color Temperature	2700K
CRI	80
Beam Angle	25°
Dimmable	Yes
Voltage	120V
Operating Temperature	-20°C to 40°C
Socket	E26
Weight	8.2 oz.
Design life	40,000 Hrs.
Part Number	98173

Features & Benefits

Designed to fit short neck track and recessed fixtures.

Reduces energy consumption by over 75% when compared to halogen PAR lamps

40,000 hour lifetime reduces maintenance costs

Compatible with most commercial dimmers, offering 10%-100% dimming performance.

Beam angle provides bright, uniform illumination

Cool beam protects illuminated objects from radiated heat.

Environmentally-friendly product has no mercury or other hazardous materials, RoHS compliant and UL listed

5-year limited warranty
